## ONLINE ACCOUNT ACCESS

### What is Online Account Access?

It will require an internet connection and will allow you to view daily meter readings and usage on each of your accounts.

### Here's how it works:

After WR/LJ receives your authorization form, we will e-mail you your user name and password. To access the web page you will go to [www.wrlj.com](http://www.wrlj.com) and click on the link "READ YOUR WATER METER" in the upper right hand corner of the home page. The first time you login it will require you to change your password and ask you a security question.

Cell phone carrier information is optional and is only being asked because texting notifications may be available in the future. We do not require this information for online access.

### How do I sign up?

Complete the authorization form below and return to:

WR/LJ Rural Water  
PO Box 407  
Murdo, SD 57559
